Présentation de l'éditeur

This is the first edition of the WTO Dispute Settlement: One-Page Summaries, which has been prepared by the Legal Affairs Division of the WTO. It is a response to requests from a broad cross-section of interests for a simple straightforward explanation of the key points emanating from the ever-growing body of WTO jurisprudence. The publication attempts to summarise on a single page the core facts and substantive findings contained in the adopted panel, and, where applicable, Appellate Body reports for each decided case. Also, the publication, summarises key findings on significant procedural matters. The index enables readers to search the disputes by articles and by WTO agreement.
